### CABOT

Fifteen ladies gathered at the home of Mrs. Olive Gould a few days ago by special invitation for a genuine social time and it was well improved. An hour or more was spent in reviewing the faces of their schoolmates and friends of 30 years ago, each one bringing a well-filled album or separate picture. After this they were invited into the parlor where Mrs. Jennie Bruce showed several old familiar pictures on a canvas by a radi- option, also some views of the exposition, which she attended. Later the party were escorted to the rooms of Mrs. Bruce, above, where two tables were waiting. The refreshments consisted of macaroni, saltines, rolls, peach sauce, fruit salad, cake, punch, wafers, fig jam and several other delicate edibles. The tea served was from Japan and was served in Japanese style, after which the company formed a circle and touched glasses, from which they drank to the health, happiness and long life of their hostess, repairing to the parlor below, where they joined in singing "Auld Lang Syne" and "Home Sweet Home." The tea and several other goodies were furnished by Mrs. Munroe Paine of Los Angeles, Cal., who will be remembered as Miss Lavina Gould, who was a classmate of several of the ladies who were present. A vote of thanks was extended to Mrs. Paine for her kindly remembrance of Cabot friends, and to Mrs. Gould and daughter, who had done so much for the enjoyment of the company. All will have the occasion for a lifelong remembrance. The combined ages of the ladies amounted to 1,059 years.

The commencement exercises of Cabot high school began last week Wednesday, when the juniors gave a reception to the seniors. The hall was tastefully decorated with green and gold crepe paper, the class colors. A short program was registered with a farewell song to the seniors. Refreshments of punch and wafers were served. The orchestra furnished music for promenading. Thursday afternoon class day was observed. In the evening the graduating exercises took place. Six pupils received diplomas, which were awarded by Prin. W. T. Maiden with appropriate remarks. They were Gordon B. Webster, Donald A. Smith, Everett O. Wallbridge, Ralph D. Munson, Elsie M. Wallbridge, Mildred M. Smith. Following these were 14 juniors, nine girls and five boys, who were graduated into the high school, receiving diplomas from Supt. J. W. Butterfield, who gave some good advice and wise counsel. A fine program was rendered by the students and an address by Supt. Butterfield was enjoyed by all. The Cabot orchestra furnished music, the pupils joining in singing the class ode. The benediction was pronounced by Rev. J. S. Crossland. The hall was filled to nearly its utmost capacity.

Schools have closed in town for the summer vacation. The intermediate room of the upper village school, taught by Miss Maidene Wallbridge, consisting of five fourth-grade pupils, 11 fifth-grade pupils and four sixth-grade pupils, closed Friday, June 23. Those having a yearly average of 90 or more were Aline Myers, 92; Clarence Hale, 94; Paul Lyford, 92; Doris Jackson, 91; Ethel Emery, 90. Those ranking above 80 were Gerald Kittredge, Bert Houghton, Stanley Lyford, Clyde Jackson, Joe Hazlett, Roy Hopkins, Alice Wheeler, Lillian Rodgers, Harold Burnham, Beatrice Kittredge, Bernice Emery, Reginald Lyford, Aline Myers and Gerald Kittredge are completing drills in the Palmer method writing contest for Palmer buttons. Clarence Hale had no absent or tardy marks; Dorothy Gearwar had two absent marks; Aline Myers, absent one-half day. The total number of days of school was 163; average attendance, spring term, 19 23.85; Total number of tardy marks, 13; absent, 152½; dismissals, 15. ### Why Paint for Looks Alone?

Many property-owners paint for beauty's sake alone. Wise ones paint to preserve as well. The latter invariably use lead-and-oil paint, the kind that is made of

### Dutch Boy Atlantic White Lead

and pure linseed oil, mixed on the job, by the painter, to exactly meet surface and weather conditions. Paint made this way of these prime materials neither cracks nor scales. It gives the utmost in appearance and protection, at the lowest cost per year.
